Please note these projects may have prevailing wage requirements. All subcontractors awarded work on these projects must be prepared to furnish 100% faithful performance and payment bonds issued by an admitted corporate surety acceptable to Bernards. Bernards will pay bond premium up to 1.5% of bid amounts and will offer assistance with bonding, lines of credit, and insurance information. Bernards, at its sole discretion, reserves the right to waive the requirement of such bonds, to permit substitute security, or to accept alternate guarantees instead of such bonds. Please see each project's specifications for individual Owner requirements and bond cost inclusion. Notwithstanding anything to the contrary in a subcontractor's bid proposal, subcontractor bids must remain valid for a period of sixty days beyond the date that the prime contract bids must remain valid. Subcontractors must execute the Bernards Subcontract Agreement, available for review at our San Fernando office or on our website at [www.bernards.com](http://www.bernards.com). Bernards encourages the participation of MBE / WBE / DVBE / OBEs. All M / W / DV / OBEs must submit the applicable certification from the Department of General Services with their bid.
